

## **PROCEEDINGS OF THE IQAC MEETING (IN HOUSE) HELD ON 27<sup>th</sup> MARCH, 2021**

The Principal, Dr. S. Nataraju welcomed all the members of the IQAC and the other faculty members who were special invitees to the IQAC in house meeting. Prof. K. S. Suresh presided over the meeting. The main agenda of the meeting was to start the even semester classes online and to prepare a plan for the regular activities of the college.

### **AGENDA: The overall aspects of the college**

The deliberations in the agenda were as follows:

The college decided to commence the even semester classes with effect from 15<sup>th</sup> of April 2021, online in spite of the challenges faced by the pandemic. Accordingly, the classes were started for both the UG and PG programs respectively. Online staff meetings were conducted periodically for having a rapport between the staff of the college. The staff met the students and their parents online to brief about the academic calendar and functioning of the college.

To enhance the research-oriented activities among the students and staff, they were encouraged in drafting and publication of articles, papers and write ups.

The PG students had enrolled themselves for the SWAYAM/MOOC Courses as part of their curriculum.

Some of the faculty members had completed their Orientation Programme and Refresher Courses at the HRDC, University of Mysore, MYSURU, during this period according to the norms of the UGC.

It was observed that, the participation of faculty and students at various forums for presentation of papers and publication had improved a lot.

The management had assured to provide a hike in salary and other aid for the overall development of the college.

To improve and encourage the standard of research in the college, a print journal was brought out.

The faculty members pursuing Ph.D, programs were appreciated and was asked to complete the same at the earliest in order to apply for a Research Centre at the KSLU.

The other staff members were encouraged and motivated to finish their NET, SLET and also get themselves enrolled for the Ph.D, program, as the UGC has made it mandatory to have a Ph.D, for the appointment as an Assistant Professor from 2021-22 onwards.

The teachers were motivated to use innovative pedagogies to impart training and lectures to the students along with the traditional methods of teaching and the same was followed by the faculty members.

As one of the best practices, the installation of Solar Panel was proposed and implemented and the work was completed.

Another point of discussion was that the sports, NSS, MYCAB, NCC and other activities were to be encouraged along with academics for the holistic development of the students' personality.

The non-teaching faculties were to improve their skills in file management for the better functioning of the college.

The library facilities had improved to a remarkable extent and need for developing a digital library was proposed.

Accepting and improving upon the suggestions given by various stakeholders like students, parents, industry and management was being done online by getting the filled in the feedback forms.

**DECISION – These proceedings were sent to the external members for their approval and the same was accepted.**

Dr. N. Vani Shree thanked all the members for their presence.
