Students	Yes
Teachers	Yes
Employers	Yes
Alumni	No
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

Feedback obtained from among students, teachers, alumni, parents, academic peers and employers is analysed and utilised for the overall development of the institution. The college has an active Students' Academic Council with a coordinator and student representatives - two students representing each class both UG and PC, recommended by the class teachers. Periodical SAC meetings provides a platform for the students to actively participate and involve in curriculum development and academic decision making of the college with their fair inputs, provide constructive suggestion and areas of improvement in components, question paper pattern, evaluation/teaching assessment, teaching pedagogy, including feedback on the healthy practices of the college relating to various activities, seminars, workshops etc which are discussed and recorded as proceedings of the meeting. The BOS meetings and Academic Council meetings are held periodically enabling updation or revision of syllabus where the teachers actively participate and suggest changes. Every semester the BOS calls for changes to be brought in the course and the concerned course teacher, if need be draft the changes required or even recommend for introduction of new course and all of these are discussed during the BOS meetings and proceedings are also recorded thereby appropriate decisions are taken in the curriculum. Likewise, the Academic Council of the college shall consider necessary changes to be introduced in the curriculum through its periodical meetings. Apart from the above the observations and recommendations from the committees of BCI, KSLU, IAAC, IQAC and opinions in the Visitors' book also provide feedback. The frequent visits of alumni who are holding high positions in India and abroad provide feedback for further improvement of the college. The Alumni association interacts with the former students and elicits their opinion on the curricular and co-curricular activities of the college. The college also constitutes Parents' - Teachers' Committee and the meeting shall be held periodically to discuss various aspects of curriculum, evaluation system, academic activities among other things. The parents also provide us with their valuable suggestion, inputs and feedback over such matters and the proceedings are also recorded. The college also conducts Parents' Teachers' Meet annually where all the parents are given an opportunity to discuss, suggest and provide feedback including various aspects of curriculum, again the remarks are recorded. The employers/management also take part in curriculum development and provide adequate feedback on the basis of statutory body meetings and the same are discussed in the General Body meetings, where invariably the management takes part actively in the meeting and proceedings are recorded. Thus the above feedback mechanism helps the college in building the curriculum, academic activities and other such areas, although this has not been obtained by structured feedback format. The proceedings of various committees - Board of Studies, Academic Council, Students' Academic Council, Parents' Teachers' Committee, Alumni association etc reflects the feedback system which are analysed and utilised for the overall development of the institution.

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

The mentor system was introduced in the college a decade earlier to build a cordial relationship with students, to provide congenial atmosphere for the realisation of objectives and goals of the institution and to realise a distinct progressive academic culture in the college. In an organisational set up all human activities must be performed in tune with the objectives of the organisation. The responsibility of the mentor is to frame the personal behaviour of the individuals involved to achieve the goals of association. Mentor system is for the management and development of the persons participating in the affairs of the organisation. It involves manifestation of the inner virtues, abilities, creativities and attitudes of the participants of the institution. Every academic year beginning the mentors – mentees shall be constituted along with respective class teachers by the Coordinator in consultation with the Chief Executive, Principal and class teachers. The mentor system is constituted by respective class teachers along with assistance of selected student mentors' from pre final year students (4th year B.A.,LL.B, 4th year B.B.A., LL.B and 2nd year LL.B batch) and by default all the first year students of B.A., LL.B, B.B.A., LL.B and LL.B will be the mentees. The ratio of student mentor – mentee comprises of 1:6 (student mentor: mentees). There is a Student Mentors' – Mentees Cell in the college with a faculty coordinator and all other faculty mentors (respective class teachers by default). Mentors'- Mentees cell is reconstituted every year in consultation with the Chief Executive and Principal and periodical meetings are convened with faculty mentors and student mentors and mentees to note the progress and to discuss various aspects of the working of mentor system. Objectives of Mentor system in JSS Law College are: to inculcate the values of human resource management and human resource development, to train the senior students in HRM so that they will suit the requirements of the employing concerns, to build a good relationship between the seniors and junior students in the college, to develop role models, to eradicate the negative attitudes among the juniors, to strengthen the academic pursuits by helping one another, to ensure better participation of the students in the college activities and programmes, to counsel the juniors to solve their problems, to establish link between the faculty and the students.

Responsibilities of the mentors includes: to reorganise the abilities and capacities of the junior and to bring them to the notice of the faculty, to notice negative aspects of the behaviour and inform the teachers to encourage them in academic pursuits, research and seminar efforts, development of language abilities, to attract the juniors to mooted exercises, to supervise the participation of the juniors in college programmes and so on. Meetings are conducted periodically, proceedings are also recorded, and apart from such meetings frequent contact by the faculty with the mentors and mentees takes place for the effective implementation of the mentor – mentee system.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Delegation and Decentralization are the core principles of JSS Management. The institution has the best practice of participative management. The Academic and Administrative structure is organised in such way to ensure all the teaching as well as administrative staff take part in the decision making process. Since the college conferred the autonomous status it prepared a strategy to delegate and decentralise the power to reinforce the administrative machinery and promote transparency in the academic as well as administrative activities. The institution has strong faith in Decentralization and participatory management. In this regard Management has conferred more power to the Chief Executive of the college who is placed at the apex level in the administrative hierarchy. Managing the affairs of the academic and administrative activities is in the hands of the chief executive of the college who is responsible to the college and accountable to the management. So his role is decisive in decision making and plays a pivotal role in the administration of the college. The institution has extended its support unconditionally to promote quality education through the Chief Executive. Followed by the Chief Executive, Principal is the official head of the college. Followed by the Principal teaching as well as administrative faculty have been profound influence in taking decision relating to examination and other allied activities. The college has strictly adhered to the direction issued by Bar council of India, UGC and KSLU. Decentralization and Participative Management can be best understood in the following manner.s
Management: Management is vigilant and the heads of the institution monitoring the academic as well as financial activities of the college. They involve in College Development Committee and Governing council and often ensure financial assistance to undertake any academic activities to promote academic excellence through the college. Chief Executive: In the Administrative hierarchy of the college, Chief Executive Place a pivotal role and he has been conferred more power by the management. He plays a decisive role in administering the college and he is accountable to the Management. The Chief Executive involves in the recruitment process of the college along with management nominees. Principal: Followed by the Chief Executive, Principal is the official head to conduct academic as well as administrative activities. With the prior consent of the management and the Chief Executive of the college the principal will enforce the guideline issued by the BCI/UGC/KSLU after deliberating all the guidelines

with faculty so that everyone support the Principal in enforcing the guidelines in the interest of the students and the college. Teaching Faculty: Teaching faculty is the asset of the college. Some of the faculty based on seniority and experience have been assigned to constitute examination committee. One of the faculty acts as Controller of Examination and under his direction examination board is constituted which comprises Chairman and members to conduct examination in a fair and disciplined manner. Teaching and administrative faculty offer their service and extended their support to conduct the examination effectively and diligently Administrative Staff: Administrative staff is the base

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Describe at least two institutional best practices Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link Best Practice I Title of the Practice: 'Societal Accountability through MYCAB' Objectives - • To create legal awareness amongst the general public • To cater to the legal problems of the society • To provide legal aid to the needy • To grant free legal counselling Context - In order to ensure social accountability, the institution came up with the idea of starting the Cell. The location of the college was an added advantage to assist a larger mass in this venture reaching out to the maximum deprived classes was even more a greater challenge. The Practice - This practice enhances the proficiency and ethics of the students in order to serve the community. The limitation of this practice is that, the beneficiaries are

confined only to Mysuru. The active involvement of faculty and students in the functioning of the Cell is an added valour to this practice. Evidence of Success - The citizens are coming forward with their problems and legal disputes to the Cell and this forum has resolved their disputes successfully. Its coordination with the District Legal Services Authority, Mysuru, has made its function more effective and progressive. Problems Encountered - As the service provided is free of cost, the public have a notion that their problems may not get resolved and be addressed methodically. The time constraint due to semester scheme is one of the major obstacles of this practice, because of which, the expected outcome is not fulfilled. Notes - • Planning to start legal aid branches of the Cell at JSS Hospital, Mysuru and in other nearby rural areas Best Practice II Title of the Practice: 'The Real Heroes and Sheroes of JSSLC Rotract' Objectives - • To promote ethical standards • To emphasise assertion of rights • To encourage inter-personal relationship • To develop leadership and professional skills • To address the needs of the society Context - The college is not just a place for academic pursuits and for obtaining a degree. It plays a vital role in shaping the overall personality of the students. Hence, this practice strengthens one's insight into life skills and helps in enabling them to face the challenges of life. The Practice - The constitution and establishment of the Rotract Club is done and is executed by the student representatives under the mentorship of a faculty coordinator and other Rotarians. The members engage themselves in various projects and awareness programs through a holistic approach, especially catering to the disaster management during Covid -19. Evidence of Success - Rotract programs like Save Birds Challenge, Support the Voiceless Creatures, Towards Greenary, Food Distribution, Donations for PM's Relief Fund, International Literacy Day, Akshaya Pathram, Dump and Deaf Week etc, are some of the projects which speak of the success story. Problems Encountered - The challenges faced by the members were time constraints, academic commitments (faculty and students), quarantine and isolation during Covid, transportation, coordination, online classes, peer pressure, mental and physical health etc. Notes - Despite reluctance of parents due to pandemic, student volunteers rendered daring service to the mass even in extreme testing time.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

JSS Law College is the first autonomous Law college among all the Law universities and Law colleges in India to have a full fledged NCC (National Cadet Corps) Troop. In order to imbibe patriotism, discipline and valour among the Law students. The platform of NCC, the largest youth voluntary organization was an initiative of our college. The Troop Raising Day of NCC (No.2/4 KAR AIR SQN NCC/SD/SW) Mysuru Group took place on 24th August, 2015. The college and management provided an opportunity to one of the faculty members for undergoing the training for almost three months. The Honorary Commissioning of the Associate NCC Officer (ANO) as Flying Officer was done on 26th December, 2014, after the completion of the Pre-Commission Training Course Part I II at Officers Training Academy, Gwalior, Madhya Pradesh, and Air Force Station, Tambaram, Chennai, respectively. Our Associate NCC Officer Flying Officer. (Dr.) N. Vani Shree, is the first lady Senior Division/Senior Wing (Air Wing) ANO of Karnataka and Goa Directorate. The college has chosen Air Wing of NCC, as it has more of adventurous and intellectual activities including flying, aero-modelling, firing etc. Our SD/SW cadets have been continuously chosen and

short-listed to represent the Unit in the State, National and International camps. Two of our cadets represented India at the Youth Exchange Programme after a rigorous selection procedure and interview at New Delhi. From the troop raising day onwards, our college Senior Wing Girl cadets have represented at the prestigious Republic Day Parade Camp on 26th January, at New Delhi, continuously every year. The other camps attended by our cadets include Combined Annual Training Camp (CATC), Basic Leadership Camp (BLC), Pre-Republic Day Camp (Pre-RDC), Advanced Leadership Camp (ALC), National Integration Camp (NIC), Attachment to regular Air Force Camp, adventurous and trekking camps etc. When the Military needs to handle internal legal matters, it turns to a group of specially trained lawyers (The Judge Advocate General Corps). Each service branch has its own attorneys who cover such practice areas like environmental law, criminal law and international law. Despite being a Law college, we strive to explore new avenues in career development of our students. JAG branch is one such area with immense scope through which both career building and nation building happens simultaneously. Raghav Niranjana Prasad, was the All India First Topper in the JAG 23rd (MEN) Course, October 2019, and had reported for the Training at Officers Training Academy, Chennai, for about a year because of the Pandemic. He will be commissioned as Lieutenant in November, 2020, to serve the nation through the Indian Army. The act of Patriotism and feeling patriotic are things which will make for a stronger nation. Not only will you be able to relate well to others in your shared love for this country, but the more individuals who express their patriotic feelings, the stronger our country will be as a whole. The JSSLC, only Law College having NCC in India

8.Future Plans of Actions for Next Academic Year

A number of plans of JSSLC are today a reality since attainment of Autonomous status in 2005. In order to cope up with the new challenges of higher education especially a professional program of Legal education, we are striving to develop the Post Graduate Department and have planned to start a Research Centre in the near future. With this we would be able to achieve the University status. From the point of view of employability and preparedness of the students for global challenges, the college intends to take few measures which are: - (a) Starting SWAYAM courses of MHRD for the UG programs to promote online learning and also specialization on parallels with the Choice Based Credit System. (b) Starting more number of short-term courses, certificate courses and if need be diploma courses. (c) Conducting Seminars, Workshops, Symposiums and other Training programs both for the faculty as well as the students (to include beneficiaries from outside). (d) To set up a Forum for Inviting experts like judges, academicians, advocates public servants for guest lectures and interactive programs. (e) Collaborating with various agencies and universities for research oriented works (f) Promoting students for online and offline internships (g) Organizing career counselling programs for the students (h) To foster value education, encouraging students to involve in legal aid centre and mediation centre. (i) More number of programs to be organized and develop awareness and interest towards conservation of the environment amongst the students (j) To imbibe amongst the students patriotism, empathy and nationalism by celebrating significant days (k) To increase the use of technology in teaching, learning and evaluation, upgrading our website, encouraging faculty and staff to use more of ICT methods, increasing speed of Wi-Fi connectivity, subscription of more e-learning sources, processing admissions and handling examination in online mode (l) To conduct moot court competitions both online and offline in order to bridge the gap between class room and court room (m) To contribute to the society through legal education, the management also encourages the involvement of

faculty and students to do research oriented activities (n) To implement the suggestions given by the experts and external members of our Statutory Bodies (o) To improve the quality aspects as per the IQAC - NAAC initiatives (p) To encourage the faculty and students for publication of books, articles, chapters etc., for the enhancement of their drafting skills (q) To endeavor in all the academic, curricular, co-curricular and extra-curricular activities for the overall progress of the college. (r) Promoting blended learning for better teaching and learning.
