Admit impediments. Love is not love

Or bends with the remover to remove:  
O no! it is an ever-fixed mark  
That looks on tempests and is never shaken;  
It is a star to every wandering bark,  
Whose worth unknown, although his height be taken.  
Love's not time's fool, though rosy lips and cheeks  
Within his bending sickle's compass come:
